

## REGULAR MEETINGS

Open, public meetings of the Board of Education are basic to its operation. All actions of the Board will be taken only when the Board is in official public session. The regular meetings of the Board present opportunities to discuss and evaluate the district's educational program. The meetings also allow for the expression of public opinion and individual Board member opinion toward consensus making and Board action. The meetings provide an appropriate forum for items of interest or concern to the school and general communities.

The time, dates and place of regular Board of Education meetings will be established at the annual re-organizational meeting and will be published in the calendar and other publications. In the event that the day appointed for a regular meeting falls on a legal holiday, the meeting shall be rescheduled. All regular Board meetings are open to the public, and meeting facilities shall provide access to persons with disabilities.

In addition to the members of the Board, the following individuals will regularly attend the business meetings of the Board: the Superintendent of Schools, the Assistant Superintendent for Business, the Assistant Superintendent for Special Services, and the Coordinator of Curriculum and Instruction, Building Principals, and other specified personnel as deemed necessary.
