Dear Parent / Guardian:

Due to an error with the transportation routing software, some students in upper grades who are no longer entitled to school bus transportation received bus passes in the mail.

Please be advised that the District guidelines on transportation have not changed; If your child is in grades 4, 5 or 6 and your residence is one mile or less from their school of attendance, please be advised that they are still ineligible for school bus transportation.

Please disregard the bus pass you received for them, and accept our apology for any inconvenience this may have caused.

Feel free to call me if you have any questions or concerns at 516-568-6110.

Sincerely yours,

Gerard Antoine
