

VALLEY STREAM UFSD THIRTEEN

Math in Focus Parent Workshop

March 9, 2017

6:00 pm—8:00 pm

Howell Road School

Please join us for an informational session on the newly implemented K-6 Math in Focus program. This session will help you understand the various components of the program and how you can support your child at home with mathematics. All parents should attend, including parents who attended in December, as new strategies and problems will be introduced.

Children will not be part of the parent workshop, but school-age (K-6) child supervision will be available. We recommend you bring a quiet activity for your child, such as their homework or independent reading book.

Please fill out the form below and return it to your child’s teacher by Wednesday, March 1st .

Child’s Name _____

Teacher _____

Grade _____

_____ I will attend the Math in Focus Parent Workshop on March 9th

_____ I require supervision for my school-age (K-6) child

Return by Wednesday, March 1, 2017
