

Vinayak (Vinny) Pandit

I have been a resident of Valley Stream, New York for over 17 years. I am married for 23 years. We have three beautiful children. To us, family values and enrichment of mind through education is of utmost importance. We feel very blessed to be a part of School district #13, which has only enhanced our visions in educating our children. Presently, I am actively involved on the UFSD13 Board of Education for past two and a half years.

I am a Lead Accountant working for The New York State Catholic Health Plan Inc. D/B/A Fidelis Care New York for 19 years to date. I am responsible for our company's Interim and Statutory Audits conducted by Deloitte & Touche CPA'S. I am in charge of our Company's banking and investment portfolios of over \$ 8 billion.

I am a recipient of the 'The Mission Award 2014-2015.

<http://www.fideliscare.org/en-us/newsandevents/news?id=303>

I am an active member with Lions Club International, volunteering when needed for Coat or food drives or fundraising at many other events. I have been an active participant in community events both in Nassau County and in the Indian community.

My children provided me an opportunity two years ago to be involved in our school system for the past 15 years. I strongly support and value the PTA community in all our schools.

As a Vice President on the School Board I had an opportunity to be on the Business Committee for over two years and one year on Policy Committee as a chair person. I have understood the

importance of every decision taken and every major policy updated in the Board Room which in turn relates to our children, parents, teachers and residents of this school district.

Major milestones Achieved During my term on the UFSD13 School Board - 2015-2018

- **School Budget**
- **Policy Committee (Chairperson)**
- **School Bus Transportation**
- **Internal Control Testing**
- **Interim Audit Testing**
- **Salary Negotiations**
- **Bond Referendum**

Goals for 2018-2021

- **Safety and Security Measures for the entire school district**
- **STEM Programs**
- **PILOT Programs – Create awareness and safeguard the interest of the taxpayers.**

As a father of three in this school district, I understand the everyday needs at our schools. With my professional experience, I will continue to support the District in its plans for the welfare of our children. My experience in **Finance, Banking, Budgets, Interim and Statutory audits and its requirements as per GAAP**, will be a valuable asset to the board. I have been an active voice at School Board Meetings for the advantage of all our students, faculty, parents and citizens. I am aware of current school needs - especially safety and security of our children on an every-day basis.

I would truly appreciate if the residents of District 13 would vote on May 15th and re-elect me for another term to bring new ideas and vision to our School System.

“CHILDREN COME FIRST”
