Constance D. Evelyn, Ed.D., Superintendent of Schools

August 18, 2021

Dear Valley Stream UFSD Thirteen School Community,

In January of 2022, I will be retiring from my post as the Superintendent of Schools in the Valley Stream UFSD Thirteen. I'm writing to express my gratitude for the opportunity to have served this community in this leadership role alongside so many wonderful educators and staff members.

When I began in 2015, it was impossible to know the remarkable achievements we would accomplish together as a collective force supporting all children, educators, staff, parents, and caretakers. My tenure in Valley Stream UFSD Thirteen has been an incredibly important and positive experience. As I look to the future, I am excited about the prospect of new experiences, and spending more time with my family and friends.

I am thankful to the Board of Education and this school community for the many years of support. And, I am hopeful because of the talents and passion our children demonstrate. I wish all of you and this very special place the best of everything.

With Respect and Gratitude,

Dr. Constance Evelyn
