September 30, 2021

Dear Valley Stream UFSD Thirteen Families:

## **RE: COVID PROTOCOLS AND SCHOOL GUIDELINES FOR STUDENT ILLNESS**

Thank you for your commitment to the health and safety protocols outlined in the District's Reopening Plan. As a gentle reminder, the protocols for students who are exhibiting illness are outlined below.

Students should **not** attend school if they have the following symptoms:

- ✚ Fever/Chills/Body Aches
- ✚ Sore Throat/Cough/Chest Congestion or Sinus Infection
- ✚ Undiagnosed Rash
- ✚ Vomiting
- ✚ If there are results pending from a COVID test

We have directed our school nurses to ask parents or guardians to pick up their child in the event they should develop any of the above-mentioned symptoms while at school. These students should not return to school until they are symptom free for 24 hours or until they have been evaluated and cleared by their medical provider.

Sincerely,

Constance D. Evelyn, Ed.D.  
Superintendent of Schools
