

PARENT CONFERENCES

The Board of Education encourages parent conferences with teachers as an effective means of communication between the home and the school. These conferences provide opportunity for open communication regarding administrative procedures, instructional programs, goals and objectives, and pertinent information regarding student progress.

Teachers have a responsibility to meet with parents to discuss student problems and progress. Two scheduled conferences should be held with each parent sometime during the school year. When a parent requests a conference with a teacher, the teacher shall make every effort to arrange a mutually convenient time. Such conferences should be scheduled around the school day so as not to interfere with the instructional process.
