Dear Music Parent/Guardian:

You are receiving this message because your child is currently involved or about to begin instruction in one of the music programs in the Valley Stream schools. However, you may or may not be aware of the Summer Music program that is offered by the Central High School District to enhance our instrumental and choral music programs. If you could take a moment to complete the survey found at this [link](#), it would be a tremendous help to me in setting it up and getting prepared for what should be an incredible summer. The purpose of this survey is strictly informational and not to ask for any commitments at this time. Based on your answers better-informed decisions can be made that will enhance this summer's program.

If you have any questions or concerns about this survey, the Summer Music Program, or any of the Fine & Performing Arts programs in the Central High School District, please do not hesitate to call or email. Thank you in advance for your time and assistance.

Sincerely yours,

Adam G. Erdos, Ed.D.  
District Coordinator of Fine & Performing Arts  
Valley Stream Central High School District
