

September 2020

To my fellow Kindergarten Parents,

Welcome to all of the parents of the incoming Willow Road Class of 2027! We are Bridget Giammarino and Gloriana Fratarcangeli, your Kindergarten Grade Representatives.

Here is a little information about us.

Bridget: I currently have a daughter that is going into the 4th grade and my youngest is starting Kindergarten. I can truly say from experience that Willow Road is a fantastic school. All of the teachers are wonderful people that care about our children.

Gloriana: I have two daughters and my oldest is starting Kindergarten at Willow this year. I grew up in Franklin Square and I'm looking forward to being a part of the Willow Road community.

We feel that this is going to be an exciting year! We look forward to having the opportunity to get to meet all of you and to work together to create some beautiful memories.

We want to make ourselves accessible to all of you. Please feel free to contact us with any questions, concerns or ideas! Obviously, this year is going to look different but that doesn't mean that it can't be full of positive experiences for our children and families. We are excited about the years to come! We truly feel that they will be happy times!

Feel free to contact us at any time.
