February 11, 2021

Dear Valley Stream UFSD Thirteen Families,

We look forward to welcoming our students and staff back to school after the upcoming winter break. We would like to remind you that we are following the protocols established by the CDC and New York State Department of Health to help ensure the health and safety of our school community.

Individuals who travel outside of New York for more than 24 hours must:

1. Obtain testing within 72 hours prior to return to New York **AND**;
2. Upon return to New York, quarantine for at least 3 days upon return, and get tested on the 4<sup>th</sup> day of arrival;
3. If travelers receive a negative test on the 4<sup>th</sup> day of their quarantine, they can exit quarantine;
4. All test results must be provided to your school nurse prior to or on the day of returning to school/work;
5. If the above procedures are **not** followed, the traveler will be required to quarantine for 10 days upon returning to New York State.

The clearance document from a provider and any required testing results must be provided to the Health Office before the student can return to school.

*Travel to States identified as Contiguous States; Pennsylvania, New Jersey, Connecticut, Massachusetts and Vermont are **not** subject to the above travel restrictions.*

Thank you for your cooperation and assistance in helping to keep our schools open and safe.

Sincerely,

Constance D. Evelyn, Ed.D.  
Superintendent of Schools
